

# STARS

SHORT-TERM AND  
REHABILITATION SERVICES

## WE SPECIALIZE:

Our short-term rehabilitation unit benefits patients who require temporary skilled oversight following their stay in an acute hospital. We offer comprehensive medical and rehabilitation services – including management by physicians, nursing and therapeutic staff – in an intimate setting housed on the campus of our nationally recognized, state-of-the-art facility. **Admission is not limited by religious or cultural affiliation.**

## WE OFFER:

- Easy access from 101 and 280 freeways.
- Private and semi-private (a maximum of two persons) accommodation in a welcoming, comfortable environment.
- Transitional care services and medication reconciliation to ensure proper clinical management between various levels of care.
- In-house physicians and nurse practitioners specializing in older adult care.
- Licensed clinical social workers to attend to psychosocial needs and discharge planning.
- Highly experienced physical, occupational and speech therapists skilled in working with older adults.
- On-site pharmacy and pharmacists to manage medication administration.
- Transportation arrangements for outside appointments.
- Access to social and therapeutic services, including:
  - Art and ceramic studio
  - Gardening center
  - Animal therapy
  - Group and individual recreation therapy
  - Religious/spiritual services
  - Café & boutique
  - Landscaped, park-like settings with fountains to enjoy personal visits

## ADMISSION CRITERIA:

- Be aged 65 or older.
- Be insured through traditional Medicare.
- Have a three-day qualifying stay in an acute hospital.
- Require daily skilled nursing services or oversight from a licensed nurse or therapist.
- Be able to participate in treatment and make measurable progress during the course of care.
- Have a solid discharge plan and arrangements for post-treatment care.
